

# **PENN LAW**

## **FELLOWSHIP PROGRAM RECIPIENTS**

Penn Law is enormously proud of its many graduates who have received prestigious post-graduate fellowships and have pursued distinguished careers in the public interest. It is noteworthy that most have taken one or more of Penn's clinical courses and have contributed significantly to public service activities while at Penn Law. Their professional trajectories have been shaped in no small way by the dedication, mentoring, and modeling that our faculty provide.
