Exam

Email responses to the following questions must be sent to jklick@law.upenn.edu by 12 noon on Monday August 1, 2011. The exam will be graded on a pass-fail basis.

Listed below are four articles from the empirical law and economics literature. Please provide the following on each: 1) one paragraph stating the hypothesis explored; 2) one paragraph explaining the identification strategy (include a statement of the identifying assumptions); and 3) one paragraph offering an alternate hypothesis that could explain the results.

All of the articles are available at http://www.law.upenn.edu/fac/jklick/research.html
