

# Fall 2020 Internship Program

## **Position Type** – Legal Intern

**Description** – Capital Health System, Inc. (Capital Health), a non-profit hospital, is looking for highly qualified rising 2Ls and 3Ls to take part in Capital Health's legal internship program. Legal Interns will rotate through the Legal, Compliance and Risk Management Departments. Interns are encouraged to work within the three departments to gain a full and comprehensive experience and working knowledge of how the departments support one another. Interns will gain hands-on experience in traditional litigation and transactional matters, in addition to risk management and healthcare compliance matters. Examples of areas interns will work in include medical malpractice, contract negotiating and drafting, litigation, clinical research regulatory issues, enterprise risk management, privacy regulations, policy drafting, federal and state healthcare laws, and employment law.

Qualified applicants should have prior work experience, excellent analytical and writing skills, and multitasking abilities. The position is located in Trenton, New Jersey. There is poor public transportation to Capital Health, so interested applicants should have reliable transportation.

Interns will receive 7 credits for working 21 hours/week. There may be an opportunity to obtain 4 credits (12 hours/week).

**Application** – Applicants should email their resumes, a cover letter, and a writing sample to:

Nicole Lagerman, Esq.  
Associate General Counsel  
Capital Health System, Inc.  
750 Brunswick Avenue  
Trenton, NJ 08638
