Vermont Judiciary Trial Court Law Clerk Hiring Information

Vermont’s centrally organized trial court law clerk program provides law clerk assistance to trial court judges on location throughout Vermont. Law clerks concentrate on research and writing for all judges of the civil, criminal, family, environmental, and probate divisions of the superior court, as assigned, and may participate in other projects. Our environmental law clerks focus primarily on the environmental division. Most non-environmental law clerks will be exposed to all other divisions of the superior court.

Law clerks are hired annually for one-year positions starting each September. Thereafter, second year, senior, and staff attorney positions are possible. Applications are accepted during the March 1 to May 15 period immediately preceding the September in which the clerkship begins. At the time of application, an applicant must be admitted to the bar of any state, in the final year of law school, or a recent law school graduate.

Hiring for environmental division positions is conducted separately from hiring for all other positions. Applicants for both environmental and other positions, if selected, will interview twice. Dual applicants should submit two separate sets of application materials, one for each hiring committee. The same recommendation letters may be used for both, in the applicant’s discretion.

MINIMUM APPLICATION MATERIALS

- Short cover letter clearly indicating interest in (1) positions in the environmental division exclusively or (2) positions focusing on the non-environmental divisions;
- Resume with e-mail address, which will be relied upon for correspondence;
- Current law school transcript (may be unofficial);
- Class rank or equivalent (if not reported by school, please explain);
- Two letters of recommendation (may be sent separately from other materials); and
- Recent legal writing samples demonstrating aptitude for trial court-level judicial opinion writing. Writing samples generated outside the academic setting are strongly preferred.
- Applicants are welcome to submit additional materials as they see fit.

Please apply according to these instructions only. Please do not apply directly to any courthouses or judges. Please do not submit a form “Judicial Branch Employment Application.” All application materials may be addressed to Hiring Committee or Robert Hubbard, Chief Staff Attorney.

Please e-mail one set of materials per application in PDF format, between March 1 and May 15, 2020 to jud.recruitment@vermont.gov. Applicants for both environmental and non-environmental positions should send applications in separate e-mails. Recommendation letters may be sent separately if necessary. Any materials that must be sent on paper should be addressed to Robert Hubbard, Chief Staff Attorney, Washington Civil Division, 65 State St., Montpelier VT 05602.

A limited number of qualified applicants will be selected for in-person interviews based on court needs and demonstrated merit. In-person interviews will be held in June 2020.
