Master *in* Law

GENERAL BUSINESS LAW

LAWM 528 • Spring 2021

Wednesdays 5:30 – 8:15 pm

Joanna Cline

Partner, Troutman Pepper

This course, designed for non-lawyers, focuses on the core legal issues faced by any business today, including contracts, employment law, business governance, and intellectual property. At the course's conclusion, students should be in a position not only to recognize potential legal issues but also critically evaluate any offered advice.
