

Office of Inclusion and Engagement Student Advisory Board Member

Erica Rodarte L'22

I was born in El Paso, Texas and most of my life has been shared between the El Paso, Texas-Ciudad Juarez, Chihuahua community. I graduated from The University of Texas at El Paso with a B.A. in Philosophy and Political Science. I have found great mentors through LALSA and the Texas Club and look forward to continuing my involvement in groups that explore housing, immigration, and electoral issues while impacting our community. I am also excited to be part of the Student Advisory Board to make sure our student body's diverse places of origin, ideologies, and identities continue to be represented and shape future decisions of inclusion and diversity at Penn Law.
