Comments
Professor Klick is very, very good at communicating things clearly. He's very funny, too. And he assigned readings in subject areas that I think most people found to be interesting. So yeah, he did a great job of stimulating interest.
Very knowledgeable. Hard material to engage with remotely.
Prof. Klick does a great job stimulating interest and explaining complex concepts in simple ways.

highest degree of respect.
Very accessible.

**Comment on the strengths and weaknesses of the course. How could it be improved?**

Comments
dense and a wide breadth of topics makes it a bit overwhelming.

**Comment on the online instruction in this course specifically. What aspects worked well? What suggestions would you offer for improvement?**

Comments
Klick is approachable and communicative. Maybe narrow the scope a bit.

**Other comments.**

Comments
I would highly recommend this class to anyone. Because Professor Klick bases your grade entirely on your final paper, you are very free to just enjoy learning the material. I took notes on the stuff that interested me (usually while watching the recorded lectures ex post) and didn't worry about frantically trying to jot down every little bit of information. Because of that, I'll probably retain a lot more of what I learned. This class is a good application of the dictum "Never let your schooling interfere with your education."

This class contributed to my achievement of its stated learning outcomes very well. And thank goodness, too—I was fretting about those darn learning outcomes the whole semester.
Took a deep dive into econometrics and certain studies pertaining to economics and the law
met learning outcomes

Very well
