NEW STUDENT RECORD FORM | REQUEST TO ENROLL IN A MASTER IN LAW COURSE

If you have never taken a class at Penn before, a Student Record needs to be created before course registration can occur at Penn Law. Students will be enrolled in a requested course on a space available basis. Priority is given to ML degree candidates. If a course is closed, you will be placed on a waitlist and notified via email when a space becomes available. Questions? Please e-mail Sherita Ragins at sragins@law.upenn.edu.
