2. Visa

Due to the regulations under the immigration law in Japan, a non-Japanese exchange student is required to enter Japan with a valid “Student” visa. A "Certificate of Eligibility (CoE)" will be forwarded to a student as soon as WLS receive it from Tokyo Immigration Bureau around August. The student is required to submit the CoE to Japanese Embassy or Consulate-General of Japan in your area of your country with a valid your passport to obtain a “Student” visa. Please be sure to obtain a “Student” visa before departure.

Note:

Please purchase the flight ticket to Japan after obtaining the “Student” visa. In addition, the exchange students must enter Japan with the proper status of residence (“Student” status of residence), because

those who enter Japan with a visa waiver status or a different status of residence have to leave Japan once, and then enter again with a “Student” visa. WLS cannot make any special arrangements for those planning to enter Japan earlier.
