STEP 4: Register for Recruiting Program(s)

***If you are registering for multiple offices, you may choose whether to submit separate schedule requests or include multiple offices on the same schedule/in the same request. Keep in mind for PEP that if offices are registered as separate schedules, they will be considered separate employers for purposes of selecting students’ 8 applications. If you would like to talk through your options, please contact us at recruiting@law.upenn.edu***

From the Shortcuts list on the home page or the OCI tab, select Submit Schedule Request and complete the requested information. Make sure to choose the correct Session: 2023 Summer OCI, 2023 Penn Early Program, or 2023 Resume Collection Program. The following data is needed to process your schedule request(s):

**Number of Interview Days:** Select 1 as each employer will be assigned one interview date

**Class Years to Interview:** Choose the class year(s) you would like interview. To select more than one class year, click the first class year desired, hold the “Ctrl” key and select the other class years you are interested in interviewing.

**Class Allocations:** Allocate the percentage of each class you are interested in interviewing. The allocations must add up to 100 percent.

**Interview Length:** Select the length of interview slots, 20 or 30 minutes. Most employers choose 20-minute slots to maximize the number of students on a schedule.

**Number of Schedules Requested:** Select the number of schedules you would like. For OCI, each schedule accommodates approximately 20 interviews (the precise number of available slots will depend on the chosen interview length). For PEP, please choose 1 schedule unless you are registering for multiple offices for which you would like separate application packets.

**Time Slot:** Select whether you would like a morning, afternoon, or full day of interviews. Please note that we have provided three time options that accommodate employers in varying time zones.

**All times listed in our Symplicity system and on our interview schedules are listed in Eastern Time.** Please be sure to choose the times that best meet your interviewers’ preferences:
