Program Information

To which Joint Degree Program have you been accepted?

When did you apply?

Do you anticipate completing the JD degree in Three or Four years?

Have you met with a representative from the joint program to review your curricular requirements, if so, with whom?

If your program requires you to be in residence at the partner school, please let us know which anticipated academic year you will be enrolled there:

We suggest that you schedule an appointment with the Law Registrar to review your degree requirements, curriculum options and the "overload" tuition and fees that may be associated with the joint program.

Agreement and Signature

Be sure to review the policies and requirements that must be met in order for you to successfully complete the JD and for the other degree.

By submitting this confirmation, I acknowledge that I am responsible for all fees and tuition associated with the joint program.
