Mr D, C. Clark
Chairman of the Board
September 26, 1984

Dear Mr Clark:

Thank you for your letters of August 28
and September 21, 1984.

I'M sorry I didn't write sooner to offer
my full support of Preferred Share Purchase Rights Plan.
As a shareholder and retired HFC employee I have always
felt that HFC 's board has been first class.

The newspapers have made me aware of the
"Greenmail" attacks in many other businesses and we all
know it's out and out BIG BLACKMAIL and the small share-
holders are the big losers.

Congress must pass laws that will put
people like Mr Moran in jail and stop this kind of
thivery. Please give all my best to all H.I people and
give Mr Moran HELL.

ver' truly yours.
