Chair. of the Board and C.M.O.
Household International

Dear Mr. Clark :

Thank you for your communication s regarding Household's Preferred Share Purchase Plan .I would like you to know that as a shareholder since 1979 ,and a happy one at that , I fully support your position and that of the Board of Directors in what you are trying to do to make a takeover and/or greenmail difficult . Please stand for no nonsense and stand firm .

It is highly regrettable that you valuable time must be spent on such matters and diverted from the affairs of the company even for a little . Your management team has , in my opinion , done a fine job and I can only say keep up the good work . I am sorry that I am not a principal shareholder so that my support would be more meaningful than it now is .

Good luck , and please keep up the good work on behalf of us shareholders who would rather not see a "bust up " of any kind hit Household.

Sincerely ,

PENGAD-Bayonne, N. J.
