

Intro to Cyber

JUNE • 12 • 2018

8 AM - 12 PM

THE BELLEVUE HOTEL

Join NetDiligence® for a groundbreaking Intro to Cyber program developed for insurance, legal and technical security professionals new to this emerging field. Learn about the exciting world of Cyber Insurance from industry-leading speakers and network with representatives from some of the world's largest insurance companies! This event is **free** to all attendees!

AGENDA

CHECK-IN • COFFEE • OPENING REMARKS

8:00 AM - 9:00 AM

UNDERWRITING • CYBER

9:00 AM - 9:45 AM

How do you underwrite a risk that is constantly changing and evolving? This session will discuss the challenging nature of cyber risk from an underwriter's perspective, and some of the models and methods that have proven successful in mitigating exposure.

BROKING • CYBER

9:45 AM - 10:30 AM

Learn how brokers assess client needs and secure the necessary insurance coverage as part of an overall risk management strategy. What are the key considerations when determining a client's cyber health? How do you insure a risk that covers potential losses across multiple business functions?

NETWORKING BREAK

10:30 AM - 11:00 AM

SECURITY • SOLUTIONS

11:00 AM - 12:00 PM

What are some of the current security tools Risk Managers use to develop good cyber hygiene? What new innovations - including analytics, AI and threat modeling - will shape the future of cyber security solutions and how can risk managers apply these to their own organizations.
