

AT&T Penn Law Privacy and Technology Internship - Summer 2019

The Center for Technology, Innovation and Competition is pleased to report that AT&T will once again be hiring a student for the AT&T Penn Law Privacy and Technology Internship. The details of which are:

- Internship at AT&T in Washington D.C.
- Summer 2019
- Open to 1Ls and 2Ls
- Requires a ten-week commitment
- Payment of a \$10,000 stipend
- Provides a holistic experience, with regular interaction with the AT&T Federal Regulatory team, attendance at hearings, training opportunities and many other professional and integration activities

Those interested should apply through Symplicity no later than **January 18, 2019**. A resume, cover letter, unofficial transcript and writing sample are required.

Please contact Caroline Olson, CTIC Managing Director, at cmolson@law.upenn.edu with any questions.
