Law and Economics Courses for Doctoral Students and Faculty Members 2014

Introduction to Empirical Legal Studies - Prof. Jonathan Klick

Course Evaluation Report

Study Center Gerzensee

Law and Economics Courses for Doctoral Students and Faculty Members 2014

Introduction to Empirical Legal Studies - Prof. Jonathan Klick

Course Comments

- Very good seminar!
- More lecture time/too much free time
- Exercises/group exercises would have helped.
- Case study for applying theory would have helped.
- Very interesting course, excellent professor (very good from a legal perspective, even without specific background in statistics).
- Print out readings
