12. **Comment on the strengths and weaknesses of the course. How could it be improved?**

- No Answer
  - No Answer
  - This professor is really engaging at delivering material. In my opinion best speaker I have seen at the law school. His knowledge base is vast and more importantly he can take the sophisticated information and break it down for a beginner. Incredibly intelligent professor. I was very impressed.
  - Strengths: very rich and interesting class
- Weakness: better if we could get an idea of what papers we need to write earlier in the class

Results are calculated using the evaluation responses for LAW940-001-16C only.

Results are calculated using the evaluation responses for all Seminar courses. Each response has equal weight, so courses with more enrolled students have a greater effect on the results than courses with fewer students.

Results are calculated by first calculating a result for each Seminar course and then equally weighting each of those results together to form the final result. This means that each course has equal weight in the results.
