

George R. Lucas, Jr

Professor Lucas is “Distinguished Chair in Ethics” *Emeritus* at the U.S. Naval Academy, and Professor *Emeritus* of Ethics and Public Policy at the Graduate School of Public Policy at the Naval Postgraduate School in Monterey, California. He has taught at Georgetown University, Notre Dame University, Emory University, Case-Western Reserve University, Randolph-Macon College, the French Military Academy (Saint-Cyr), and the Catholic University of Leuven in Belgium, and most recently served as the Vice Admiral James B. Stockdale Professor of Ethics at the U.S. Naval War College (Newport RI).

His main areas of interest are applied moral philosophy and military ethics, and he has written on such topics as: irregular and hybrid warfare, cyber conflict, military and professional ethics, and ethical challenges of emerging military technologies. He is also the General Editor of the multi-volume *Critical Edition of the Works of Alfred North Whitehead* (Edinburgh University Press).

A *Summa cum Laude* graduate in Physics from the College of William and Mary, he is a member of Phi Beta Kappa, Omicron Delta Kappa, and received the Sigma Xi Research Award in 1971 for his work in intermediate energy particle physics, published in *The Physical Review* (1973). Professor Lucas received his Ph.D. in Philosophy from Northwestern University in 1978.

Lucas is the author of six books, more than sixty peer-reviewed journal articles, translations, and book reviews, and has also edited ten book-length collections of articles in philosophy and ethics. Among these titles are *Ethics and Cyber Warfare* (Oxford University Press, 2017), *Military Ethics: What Everyone Needs to Know* (Oxford University Press, 2016), *The Routledge Handbook of Military Ethics* (Routledge, 2015), *Anthropologists in Arms: the Ethics of Military Anthropology* (AltaMira Press, 2009), and *Perspectives on Humanitarian Military Intervention* (University of California Press, 2001). His most recent book, *Ethics and Military Strategy in the 21st Century: Moving Beyond Clausewitz*, is forthcoming from Routledge in July 2019.
