TPIC

TOLL PUBLIC INTEREST CENTER - FUNDING

TPIC provides funding to pro bono projects and students groups for pro bono training, service, and some events.

FOR PRO BONO:

TPIC will fund the costs associated with training and service including: supplies from Office Depot, pizza for pro bono training sessions, technology requests, reasonable and pre-approved transportation costs, and printing.

FOR EVENTS:

TPIC will fund the cost of events that are pre-approved through an RFP process for PI Week and our Conversations about Justice series. RFP's for any academic year are due in the preceding summer.
TPIC also funds pro bono training events. This generally happens through the pro bono project budgeting process.

If you have any questions about TPIC funding for events or pro bono service, please email Hillary Wiesel (hwiesel@law.upenn.edu).
