**Kathryn Klose ML'20**

My name is Kathryn Klose, I am a full time staff member at Penn. I have worked as an administrator for the University since 2014, first at Penn Dental Medicine and now at the Perelman School of Medicine. I grew up in Hershey, PA and was a committed student-athlete, graduating from high school with 12 varsity letters, and two individual state championships. I graduated from the Pennsylvania State University in 2007 as a double major (Hotel, Restaurant and Institutional Management & Recreation, Park and Tourism Management) where I also participated in athletics. I am set to graduate from the Master in Law program in the Spring of 2020, where I have tailored elective courses toward Diversity and Inclusion / Discrimination in Education / Law in Higher Ed. I am committed to creating a culture of inclusion and value working in diverse teams. Personally, I welcomed a daughter between my first and second classes in the ML program, she is the light of my life and my biggest accomplishment.
